Budget Hearing Meeting Minutes
Tuesday, November 13, 2018, at 6 p.m.
Oakland Town Garage**

Present: Warren Dolsen, Laurie Dolsen, and 3 Interested Citizens

The Budget Hearing was called to order by WD at 6 p.m. The meeting and budget were properly posted and published. LD explained that she had to publish last year's levy amount in order to meet the publishing deadline—she couldn't reach the new levy amount for this year through the Department of Revenue site. After contacting the DOR, she found out their system only works with Internet Explorer and she was using Microsoft Edge, Google Chrome, and Safari. She was able to access the new levy worksheet through Internet Explorer and shared that it went up \$884 due to new construction in the township. In addition, we finally received the Transportation Aids from the DOT and that amount also went up. LD shared the updated budget summary and detail information and that she placed the additional levy amount and transportation aid amount under the Highway line items for gravel and culverts. LD briefly reviewed the updated Budget Summary and Budget Detail with those present. WD asked if anyone had questions about any line items in the proposed 2018 budget. No questions were asked. Jack Byrd motioned to close the Budget Hearing; Shelby Barnard seconded; all present were in favor; motion carried. The Budget Hearing closed at 6:17 p.m.
