1. Call to Order

Board members present: Pete, Randy, Dana, Stacy, and Laurie. Approximately 7 interested citizens were also present. The meeting was properly posted.

3. Review Benefit Options for New Hires and Possibly Act

Various health and pension benefit options have started to be explored—RP shared there are many options available and he is still gathering information. Potential health benefit options were reviewed and cost comparisons and what other townships offer were discussed. Pension benefit options were reviewed and Brian Conley shared how benefits were previously offered prior to joining the union (before Act 10). RP is getting more information on possibly joining the Wisconsin Retirement System (WRS). Since information is still being gathered and we don't know specific numbers/costs yet, another meeting will most likely need to be held before we make any offer to potential employees. Discussion then followed regarding starting pay and probationary periods. No action was taken.

4. Public Comments

Before going into closed session, PF asked if there was any Public Comment. SF shared if anyone would like to be the treasurer to let her know. A comment was made about removing the rock in the ditch.

5. Vote To Go Into Closed Session per State Statute 19.85(1)(a)-(j)

DD motioned to go into closed session to review applications received to date, RP seconded, DD=aye, RP=aye, and PF=aye, motion carried and PF asked all citizens to leave so they could go into closed session. Closed session started at 6:38 p.m.

6. Return to Open Session

After reviewing the applications, the board went back into Open Session.
