Oakland Residents,

The price of your garbage service is changing. The current estimated charge for 2027 for (1) trash can and (1) recycling can is \$369.26.

- If you choose to have an additional trash can, you will be charged an estimated additional \$275.16 per year for each additional can.
- If you choose to have an additional recycling can, you will be charged an estimated additional \$94.08 for each additional can.
- Prices are subject to change with the Superior landfill closing and the price of fuel on the rise. Garbage & Recycling charges will continue to be included on your tax statements.
- If you have extra can or cans that you need picked up or if you wish to have an additional can, please notify the Town Chair Pete Fornengo by Email- chair@townofOakland-douglas.wi.gov. You must include your name, address and phone # with each request.
