

## Community Group Notes

Members attending: Sandee, Katrina, Liz, Kristie, Autumn, and Sandy.

Fall Fest signs were put up but many removed because of being in highway right-of-way. Katrina will check for those removed and where they might be. Need to ask landowners about signs being placed on their property.

Dana provided details and agenda for the group. Fall Fest will be held September 20 from 11am to 3 pm. Music by Andy Hauswirth to begin at noon.

The list of volunteers were reviewed - 18 now signed up but we need more. Assignments for volunteers was put together with flexibility for members to cover other areas as needed.

The Chili Cook-off has 7 entries: Shriners (Jack and Bonnie Byrd), Four Corners Store, Mama T's, Amnicon Bar, Backyard, Gronk's and Rhellie's. Sandy and Sandee will set-up for this activity getting needed supplies along with cheese and sour cream. Three baskets will be put together for winners: 1st women's focus; 2nd men's focus using Amzoil; 3rd car cleaning basket using Amzoil.

Car show will be coordinated by Jack and Bonnie. Katrina will look into any signs needed to direct parking for car entries and public.

Food Concession: Dana will pick up condiments, chips, drinks, and cookies. Sandy will pick up brats, wieners and buns from A&W (buns are donated) and apples from Superior One on the 19th. The cost for brats and hot dogs and other items need to be set, depending on the cost to purchase.

Sandee will get change and be in charge of collecting money. Sandy will bring a donation bucket.

Decorations for tables and table cloths should be in fire hall storage space.

Discussed where everything will be set up. Concerns about getting placement for everything. Katrina will check with vendors at Four Corners Farm Market on Sunday to get names of definite participants. A layout for kid games and petting zoo is needed. Dana will be asked about this.

If we need to meet again for confirming things, it will be Wednesday, September 17, at 6:30.

Set up Friday beginning at 5:30 pm.

Sandy
